

**EMPOWERED**  
EDTECH ECOSYSTEM  
FOR BETTER LEARNING

## Thriving EdTech ecosystem for better learning across the EU.

EmpowerED is a consortium of 11 Partners with complementary expertise. The project is financed by the European Commission and coordinated by European Schoolnet (EUN), with the aim to support closer collaboration in the digital education sector in Europe. The project will leverage the existing EdTech groups to establish and animate a new EdTech Community for exchange, dialogue and collaboration in Europe.

EmpowerED just launched, a new project aimed at establishing a pan-European network and platform for exchange between European EdTech initiatives, support organizations, practitioners, and policymakers. EmpowerED will map the EdTech landscape in Europe, provide insight into trends linked to new schooling models and innovative education solutions, and offer training and capacity-building opportunities.

The project will help consolidate and amplify the work of current EdTech organizations supporting start-ups and SMEs and enable them to engage more directly with policymakers. EmpowerED will create a thriving EdTech ecosystem for better learning across the EU.

EmpowerED, a trailblazing initiative that has emerged to leverage the European edtech knowhow, invites you to enter the future of education. It will create a vibrant pan-European network connecting leaders in edtech with practitioners, support groups, decision-makers, and practitioners to encourage collaboration and promote innovation.

EmpowerED will reveal powerful insights, trends and cutting-edge educational models with focus on mapping the EdTech landscape. It empowers educators and students through opportunities for leveraging and matching, bolstering the efforts of existing EdTech organizations. Together, we will create a thriving EdTech ecosystem that will transform educational opportunities throughout the European Union.
